

# FORD COMMUNITY LAND TRUST

---

## What is Ford Community Land Trust?

Ford Community Land Trust is a not-for-profit community-led initiative to provide affordable housing or other facilities to meet our local community's needs and over which the local community can retain control in perpetuity.

---

## What are we trying to do?

Our Objects are :

- to make access to quality, permanently affordable homes and other assets (e.g. workspaces and other community facilities) possible for the whole community,
- to enhance a sense of solidarity within the community and maximise the skills, social linkages and economic capacity of local people,
- to support the co-operative values of self-help, self-responsibility, democracy, equality, solidarity, honesty, openness, social responsibility and caring for others.

---

## Why you should become a Member

Ford Community Land Trust is a membership body, so by becoming a member you can play your part in developing an innovative and creative solution to our community's housing needs. Members elect the CLT board of trustees and will receive periodic updates and invites to the General Meetings of the CLT, which will take place at least once a year.

You can become a member by filling in the form on the other side of this leaflet and paying a small membership fee (non-refundable).
